Enter to Transform – The Journey of Refugee Entrepreneurs

You are a recognised refugee and interested in starting or re-starting your business? Then join the journey and our regional hubs in Dortmund and Gelsenkirchen to get support and share ideas with like-minded people.

What can you expect from the Enter to transform journey?

We offer you a customized support program for recognized refugees and provide an insight into the most important support structures in the region.

Depending on which stage of the business development you are in, we offer you different support

Stand-up

Do you want to collect ideas for starting a business, or do you already have a business idea but don't know how to realize it in Germany?

In our regional hubs, you will get support. We will help sort out your ideas and guide you through the decision-making process.
